NEW ON THE MARKET

26 Hangcliff Lane, Lerwick, Shetland, ZE1 0EB

An exceptionally rare opportunity to purchase these substantial ground floor premises in the heart of the Lerwick Lanes, with pedestrian access from Hangcliff Lane over the recently restored original stone steps.

Currently classed as a Store, the building, dating back to 1836, has been previously used as a Church, furniture retail business and knitwear factory.

Original features remain including the unique, patterned glass double door archway with views over the roof tops and Lerwick Harbour across to the Island of Bressay.

The open plan layout extending to approximately 136m², offers an excellent level of storage space. Subject to any required planning consents/permissions, internal divisions could provide for individual spaces for artisans, office or residential use.

Double glazed windows throughout with water and electricity services available at the premises.
